As an officer of this great Union, I will, at all times, act solely in the interests of our members, devote the resources of our Union to furthering their needs and goals, work to maintain a Union that is free of corruption, to preserve and strengthen democratic principles in our Union, and to protect the members' interests in all dealings with employers. I will never forget that it is the members who put me here, and it is the members whom I will serve. I further promise that I will faithfully comply with and enforce the Constitution and laws of the International Union and Bylaws of this Union, that I will, at all times, by example, promote harmony and preserve the dignity of this Union. I also promise that at the close of my official term, I will promptly deliver any money or property of this Union in my possession to my successor in office.

(B) All officers are required to carry out their respective duties. ## Section 16

### EXPENSES AND AUTOMOBILES

#### (A) Allowance

Recognizing that the officers and representatives of this organization do not work regularly scheduled hours and receive no compensation for overtime or premium pay; also recognizing that such individuals are required to pay varying amounts for lodgings and meals depending upon the city to which they travel, which amounts are sometimes less, but more often more than the allowances given them; and recognizing that they must participate in cultural, civic, legislative political, fraternal, educational, charitable, social and other activities in addition to their specific duties as provided in the Constitution and these Bylaws, that such activities benefit the organization and its members and that the time spent in such activities is unpredictable and unascertainable, such officers and representatives may be granted an allowance (both for in-town and out-of-town work, respectively, which in the case of out-of-town work shall include hotel and meal expenditures) in such amount (daily, weekly or monthly) as the Local Union Executive Board may determine but, in no event, in excess of that provided by the International Union to International officers, except with specific advance approval of the membership. Where such an allowance has been granted, there shall be no need to make a daily or other accounting to the

Local Union membership. Any such allowance must be of a reasonable amount, based upon the financial condition of the Local Union and the expenses the allowance is expected to cover. All policies adopted by the Executive Board shall be written and included in the Policies and Procedures Manual referenced in Section 14(A) (2) of these Bylaws.

In addition to the allowances set forth above, all officers and employees may be reimbursed for, or credit provided for, all other expenses incurred in connection with their activities. Where allowances are provided, officers and employees may not be reimbursed for additional expenses for items intended to be covered by the allowance without specific additional authorization by the Executive Board and approval by the membership. In no event shall an officer or employee receive more than one payment for the same expense.

(B) Expenses

When a representative of the organization is engaged in activities in the interest of or for the benefit of the organization and its members within the scope of his authority, the labor organization shall pay the expenses incurred therein, or reimburse the representative upon receipt of itemized vouchers from him or the supplier of such services, provided that the representative does not receive an allowance for these expenses or reimbursement from any other source.

(C) Automobile Allowance

The Local Union may provide its officers or representatives with automobiles upon authorization of the membership, or in lieu thereof, they may be paid an allowance for use of their automobiles in such amount or at such rate as shall be approved by the Local Union Executive Board. Authorizing motions providing automobile allowances must specify the expenses covered by the allowance (for example, whether the allowance covers fuel, maintenance, insurance, etc.)

In such instances where the Local Union provides an automobile, title to the automobile shall remain in the name of the Local Union, until the Local Union decides to dispose of the vehicle. It is recognized that such officers or employees are required to be on instant call at all times, may be required to garage such automobiles, and are responsible for their safeguarding. Accordingly, for the convenience of the Union and as partial compensation for such additional responsibilities, such officers shall be permitted private use of such automobiles on a round-the-clock basis when the automobiles are not required on Union business, but shall not be used during periods of vacation.

(D) Benefits

The Local Union Executive Board may from time to time provide the terms and conditions of employment for officers, employees and representatives of this organization including, but not limited to, such fringe benefits as vacations with pay, holidays, sick leave, time off for personal leave, and in connection therewith, any disability or sickness or health and welfare and retirement benefits and activities, and may from time to time provide changes therein, as well as additional compensation and allowances. Any such benefit adopted by the Executive Board shall be specifically set forth in the minutes of the Executive Board meetings. Policies may be modified in the manner specified in these Bylaws but must be reaffirmed no less frequently than the start of a new term of office. The principal executive officer shall be responsible for ensuring compliance with the policies and for maintaining

records necessary to verify that all officers and employee have been compensated in accordance with the policies. [Note: It is recommended that the Local Union adopt specific procedures for vacation and sick leave and that said procedures specify whether such benefits must be utilized in the year earned or may be accumulated from year to year. The policy should also address whether unused vacation or sick leave may be paid off, and, if so, on what basis. It is recommended that unused vacation be paid at the end of each year. Alternatively, a minimum number of weeks could be accumulated each year with a maximum number of week's total accumulation with no pay out above the maximum]. The Local Union Executive Board or the principal executive officer is authorized to make to any Local Union officer or employee advances on his salary and/or vacation pay within the restrictions of applicable law.

## Section 17

### NOMINATIONS AND ELECTIONS OF OFFICERS; RULES

#### (A) Time of Nominations and Elections

Meetings as hereinafter established for nominations of officers shall be held in September, subject to the provisions of the International Constitution. Elections shall be held not less than thirty (30) days after nominations have been closed. The Local Union Executive Board shall set the time and place of nominations and elections and such time and place and other relevant arrangements shall be convenient to the greatest possible attendance by all the members.

The term of office of Local Union officers and elected Business Agents shall not be for a lesser period than three (3) years, except where necessary to bring the terms of office of all officers in concurrence or in order to provide for a schedule of nominations and elections in accordance with Article XXII, Section 4(a) of the International Constitution.

#### (B) Notice of Rules, Nominations, Meeting and Election

At least twenty (20) days prior to the date of the nomination meeting, specific notice of the date, time and place of the nominations meeting and the offices to be filled shall be mailed or shall be published in any Local Union publication mailed to the membership (except that notice of nominations, and election may be combined); each member shall be advised in such notice that the election rules are set forth in the Bylaws and International Constitution, which are available upon request.

#### (C) Eligibility of Members

(1) Every member whose dues are paid up through the month prior to the month in which the nominations or election is held shall have the right to nominate, vote for, or otherwise support the candidate of his choice. No member whose dues have been withheld by his employer for payment to the Local Union pursuant to his voluntary authorization provided for in a collective bargaining agreement shall be declared ineligible to nominate, or vote for, a candidate for office in the Local Union, by reason of a delay or default in the payment of dues by the employer to the Local Union.

(2) To be eligible for election to any office in this Local Union, a member must be in continuous good standing in this Local Union and actively

employed at the craft within the jurisdiction of this Local Union for a period of twenty-four (24) consecutive months prior to the month of nomination for said office, and must be eligible to hold the office if elected. "Continuous good standing" means compliance with the provisions of Article X, Section 5 of the International Constitution concerning the payment of dues for a period of twenty-four (24) consecutive months, together with no interruptions in active membership in this Local Union because of suspensions, expulsions, withdrawals, transfers or failure to pay fines or assessments. Provided, however, that if a member on withdrawal deposits his card in the month immediately following the month for which it was effective and pays his dues for both months in a timely manner as provided in Article X, Section 5(c), such period of withdrawal shall not be considered a break in continuous good standing in the Local Union.

Payment of dues after their due date shall not restore good standing status for such month or months in computing the continuous twenty-four (24) months good standing status required by this Section as a condition of eligibility for office. No member shall lose his good standing status for any month in which his dues have been withheld by his employer for payment to the Local Union pursuant to his voluntary authorization provide for in a collective bargaining agreement by reason of delay or default in the payment of such dues by the employer to the Local Union. However, a member on dues check-off whose employer fails to make a proper deduction during any month in which the member has earnings from work performed during the month from which the dues could have been deducted, or has earnings from which the employer normally makes a dues deduction pursuant to the contract or established practice, shall not lose good standing status for that month. In such an event, the Local Union shall notify the member of his employer's failure and payment shall be made by the member within thirty (30) days of said notice in order to retain good standing status.

Failure of a Local Union to issue a withdrawal card shall not be conclusive proof that a nominee was actively employed at the craft within the jurisdiction of the Local Union during the required twenty-four (24) month period prior to his nomination if a challenge is made based on evidence to the contrary, in which event a determination shall be made on the facts presented. Periods of unemployment during the twenty-four (24) month period preceding the nomination shall not be considered a break in active employment at the craft within the jurisdiction of the Local Union if the nominee was actively seeking and available for employment in the craft, and not working outside the craft during such periods of unemployment.

Members in a reserve component of the military or National Guard who are called to active service lasting more than thirty (30) days but not more than twenty-four (24) consecutive months, may have their eligibility determined in accordance with Article II, Section 4(a)(4) of the International Constitution.

(3) "In addition to those conditions of eligibility listed in subsection (2) above, a member must have attended at least fifty percent (50%) of the regular or divisional meetings of this Local Union during the twenty-four (24) consecutive months prior to nomination in order to be eligible to run for office. The Local Union shall keep accurate records reflecting those members who are in attendance at each meeting and shall exempt from the attendance requirement any member who, because of illness, regular employment, or other good cause is unable to attend a meeting. This exemption system shall be uniformly and fairly applied."]

(D) Nomination Procedures

(1) Nominations shall be held in accordance with provisions of Section 17(A) above at a general or special membership meeting or meetings or at a meeting or meetings of each separate division, craft or place of employment authorized by the Local Union Executive Board to hold separate meetings. If nominations are held at separate division, craft or place of employment meetings, the members may nominate candidates from their own or any other division, craft or place of employment for election to Union office. Nominations and the conduct of the election and related questions shall be the first order of business at the nomination meeting and complete minutes shall be kept of that business. Nothing in this provision shall prohibit the holding of special meetings, at which meeting nominations and the conduct of the election shall be the sole order of business. Nominations shall be taken at the scheduled time and date even if there is no quorum present as required by these Bylaws.

(2) Nominations shall be made at the meeting by a member in good standing other than the nominee by motion seconded by a member in good standing other than the nominee. Nominations may also be submitted by mail petition specifying the name and signature of the nominator and seconder, the position sought, and the signature of the nominee. Candidates are advised to verify the good standing status of their nominator and seconder prior to the nomination meeting.

(3) Every member eligible to nominate candidates shall be entitled to nominate or second the nomination of one (1) candidate, but only one (1), for each office open. Prospective candidates may not nominate themselves nor seconded their own nomination.

(4) Nominations shall not be closed until a call for further nominations has been made three (3) times by the Chair without further nomination being made.

(5) If an election committee is used, after nominations, each candidate for the office of President, Secretary-Treasurer and Recording Secretary, may designate one (1) member for service thereon who shall thereupon be appointed by the President.

(6) In the event only one (1) candidate is nominated for any office, no election shall be conducted for such office unless required by law, and such unopposed candidate shall be declared elected by acclamation at the nominations meeting, effective as of the conclusion of the term of the incumbent.

(7) A member otherwise eligible to run for office shall become a bona fide candidate only upon his nomination for office and acceptance of the nomination. To be eligible to nominate and otherwise participate in the nomination meeting, a member must have his dues paid through the month prior to the month in which the nomination meeting is held. Candidates must accept nominations at the time made either in person or, if absent, in writing, and may accept nomination for only one office. A member may also run for and be elected as a Business Agent or Assistant Business Agent, as provided in Article XXII, Section 8, of the International Constitution, and may hold both the office and position if elected to both. After a candidate has accepted nomination, he may not, under any circumstances, revoke his acceptance after the ballots are

printed, except where as a result of the revocation the remaining candidate is unopposed.

(8) If any nominee should die before the election, his name shall nevertheless appear on the ballot. In the event such name shall receive the requisite number of votes to be elected, the position shall then be filled in the same manner as vacancies are filled when they occur during a term of office as provided in Section 14(A) (6) of these Bylaws.

(9) If there is only one (1) nominee for an office and he is finally ruled ineligible after the nomination meeting, then the office shall be filled by appointment by the newly elected Local Union Executive Board.

(E) Elections

(1) After the nominations' meeting, but not less than twenty (20) days prior to the election, specific notice of the date, time and place of the election and of the offices to be filled shall be mailed to each member at his last known home address, if no notice has previously been sent. The election shall be held at such place or places and at such time, not earlier than (30) days after the nomination meeting, as may be designated by the Local Union Executive Board.

If the Local Union Executive Board directs that the election be conducted by mail referendum balloting, such balloting shall be in accordance with the procedures promulgated by the International Union. Ballots shall be mailed to all active members and shall be returnable to a secure post office box no earlier than thirty (30) days after the nomination meeting. The Executive Board may retain a neutral agency to supervise the distribution, collection and tabulation of the ballots. Candidates shall have the right to have their observers present at all phases of the ballot processing procedure.

If the Local conducts the election with a walk-in ballot, the Executive Board shall provide for enclosed voting locations to preserve the secrecy of the ballots and the ballots shall be placed in boxes, unless the Local Union Executive Board has authorized the use of some standard type of election mechanical device insuring a secret ballot by machine vote. The election box or boxes, or machine or machines, will be located at a place or places designated by the Local Union Executive Board. Balloting shall be open for a period not less than six (6) hours during the period between the hours of 8:00 a.m. and 8:00 p.m. A Local Union may extend voting beyond these hours if necessary to accommodate work schedules and provide members a reasonable opportunity to vote. It shall be the duty of the Local Union Executive Board to provide safeguards for the honest and fair conduct of such election.

(2) Voting shall be conducted by secret ballot among the members in good standing. There shall be no proxy voting. Each such member shall be entitled to one vote. The Local Union Executive Board shall have the authority to establish all rules and regulations for the conduct of the election to supplement the provisions of the International Constitution and the Local Union Bylaws, including the authority to use mail referendum balloting or absentee balloting without membership approval. The General President shall also have the authority to direct the use of mail referendum balloting or absentee balloting without membership approval, and action of the Local Union Executive Board to the contrary notwithstanding.

If the Local conducts a walk-in election, absentee voting by mail must be permitted upon application of members who are ill, or absent from the city or town where they are normally employed at the time of voting, live or work a significant distance from the polling site, or because on vacation or on employment tour of duty. The Local Union Executive Board may permit additional reasons for absentee balloting if they so desire. Application for absentee ballots shall be made to the Secretary-Treasurer not less than five (5) days prior to the date set for election and shall contain the grounds therefor. Absentee ballots shall be valid only if they are received by noon of the day on which the polls close. Absentee voting shall be conducted with all proper safeguards for secrecy of the ballot.

(3) Each candidate, at his own expense, shall have the right to have an observer other than himself at each polling place and at the counting of the ballots who must be a member of the Local Union in good standing. Observers may challenge the eligibility of voters, and all challenged ballots shall be sealed in a blank envelope which in turn shall be sealed in an envelope with the name of the voter thereon. If votes are challenged, such challenge shall be made in writing at the time of the election with specific reasons given for such challenge. Challenges shall be investigated to determine their validity if the challenged ballots are sufficient in number to affect the result of the election. The blank envelope containing the ballot shall not be opened until all challenges have been ruled upon. Upon request of any candidate, voting machines, if used, shall be checked for proper operation. Candidates shall have the right to be present at the counting of the ballots.

(4) To be eligible to vote in the election, a member must have his dues paid up through the month prior to the month in which the election is held and must still be an active member on the day of the election. The candidate for each office who receives a plurality of the votes cast for the office shall be elected thereto, except in the case of Trustees, in which case the three (3) candidates receiving the highest number of votes shall be elected. In the event of a tie vote, the candidates shall resolve such tie by lot, except in the case of a tie for the office of principal officer of the Local Union, in which case there shall be a reelection between only the candidates who have tied for the highest number of votes and only for that principal office. The officers-elect shall take office at the end of the term of the incumbent officers, regardless of the date of installation, which installation may take place at either the same meeting at which they are elected or, if not elected at a meeting, at the next meeting following their election. Except as provided above, no runoff election shall be held.

(5) No officer may run for another office in this Local Union, the term of which covers part of his current term, unless he resigns from his current office, effective upon the certification of the results of the election. He shall announce his intention to resign not later than fifteen (15) days prior to the nomination meeting and will not be eligible for appointment to the vacancy created by his resignation. No officer may hold another office in any other Local Union (other than a trusteed Local Union) during his term of office except by authorization of the General President and the Local Union involved.

(6) There shall be no write-in candidates and any ballot containing a write-in candidate shall be void insofar as the vote for that office is concerned and such ballot for that office shall not be considered as having been cast in determining the vote for that office.

(7) During the period between the date of election and the end of the term of office, no extraordinary expenditures of Local Union funds shall be made, and no action shall be taken that commits the Local Union to make such extraordinary expenditures in the future, without the approval of the officers-elect and the membership. An expenditure shall be considered extraordinary if it falls within the definition set forth in Article XXII, Section 4(e) of the International Constitution. In the event the election results in a new complement of officers, the outgoing officers must comply with the restrictions in Article XXII, Section 2(b) of the International Constitution regarding entering into contracts for personal services.

(F) Duties of Secretary-Treasurer in connection with  
Nominations and Election

(1) The Secretary-Treasurer shall at least twenty (20) days prior to the holding of the nominations give notice, as above provided, to the membership of the time, place and date and the offices for which nominations will be in order in connection with the election. Such notice shall be given in the manner determined by the Local Union Executive Board, consistent with these rules.

(2) The Secretary-Treasurer shall review the eligibility to hold office of any member at such member's request and shall make a report on the eligibility of that member within five (5) days thereafter to any interested member. The Secretary-Treasurer shall comply with requests from members to determine their eligibility if made prior to the nomination meeting. After the nomination meeting, the Secretary-Treasurer shall review the eligibility of all candidates, their nominators and seconders and certify their eligibility to run for office. The Secretary-Treasurer shall immediately notify all nominees of their eligibility status and shall specifically notify any disqualified nominee of the reason for said disqualification.

(3) Unless a joint nomination-election notice was sent, the Secretary-Treasurer shall give written notice to the membership of the Local, at least twenty (20) days prior to any election date, of the time, place, date, hours, and number of offices upon which voting shall be held, by mailing such notice to the last known home address of every active member.

(4) Upon reasonable request of any declared and eligible candidate for office, the Secretary-Treasurer shall arrange for the distribution of any campaign literature by mail, or otherwise, provided that such candidate pays the reasonably estimated cost involved in advance. Candidates may make such requests a reasonable period of time prior to the conduct of the nomination meeting. The Secretary-Treasurer shall not delay the distribution of any candidate's mailing. Any reduced rate mailing permit available to any candidate shall be made available to all candidates on an equal basis. The Secretary-Treasurer may require that all campaign literature shall be presented to him at the principal office of the Local Union no later than a reasonable number of days prior to the election and all candidates shall be given reasonable notice of that cutoff date.

(5) The Secretary-Treasurer, to the extent required by law, shall upon reasonable notice make available for inspection by any bona fide candidate the membership list of the Local Union covered by union security agreements once within thirty (30) days prior to the election date. No candidate shall be permitted by the Secretary-Treasurer to copy any names or addresses of employees shown on such list and such inspection must be made in the presence of the Secretary-Treasurer or his designee.

(6) The Secretary-Treasurer shall retain a copy of the notices of nominations and of the election, the mailing list of the membership, the voter register, a copy of the ballot, the official tally sheet submitted by the tellers, all voted and unused ballots, ballot return envelopes and such other records including election rules as shall relate to the conduct of the election. All copies and records shall be retained for one year.

(G) Nomination and Election Protests

(1) Any member who desires to challenge a ruling on eligibility to run for office shall appeal, in writing, within forty-eight (48) hours after receipt of the ruling to the General President, or his designee. The decision of the General President shall be appealable to the General Executive Board pursuant to the provisions of Article VI, Section 2 of the International Constitution. In the event there shall be any protest or charges made concerning an election by any member prior to the holding of the election, such protest or charge shall be made in writing by such member within forty-eight (48) hours of his knowledge of the event complained of and shall specify the exact nature and specifications of the protest. Such protest or charges shall be made to the Local Union Secretary-Treasurer who shall refer the protest or charges to the Local Union Executive Board for disposition. The decision of the Local Union Executive Board shall be appealable to the General President, pursuant to the provisions of Article VI, Section 2 of the International Constitution.

(2) In the event there shall be any protest or charge by any member concerning the conduct of the election after the election has been held, such protest or charge shall be made in writing by such member within seventy-two (72) hours setting forth the exact nature and specifications of the protest and his claim as to how it has affected the outcome of the election. Such protest or charge shall be made to the Secretary-Treasurer of the Joint Council, or State Conference, if there is no Joint Council, with which the Local Union is affiliated and the protest or charge shall be referred to the Executive Board for disposition. The decision of the Executive Board shall be appealable to the General Executive Board for final decision, which is not appealable to the Convention.

(3) If votes are challenged, such challenge shall be made in writing at the time of the election with specific reasons given for such challenge.

Section 18

DUES AND INTIATION FEES

(A) The minimum monthly dues of this organization shall be calculated on the basis of the formula set forth in Article X, Section 3(d) of the International Constitution. In no event shall monthly dues be less than the minimum established in the International Constitution.

(B) Initiation fees for membership in this organization shall be in accordance with the following schedule:

<u>Hourly Rate</u>	<u>Initiation Fee</u>
\$5.00 to \$15.00	\$150.00
\$15.01 and up	\$250.00

provided, however, that such initiation fee may be waived or reduced in connection with the organization of unorganized employees at the discretion of the Local Union Executive Board.

(C) Re-initiation fees shall be \$350.00

(D) Any member who shall be three months in arrears in the payment of dues, fines, assessments, or other charges shall automatically stand suspended at the end of the third month and shall not be entitled to any rights or privileges of membership. Any member who has been automatically suspended for failure to pay dues and other charges shall be under a continuing obligation to pay dues during the period of his suspension. Upon payment of the delinquent dues and re-initiation fee, the member shall be restored to good standing status. However, payment of dues shall not restore good standing status if fines and other charges due are not paid. The Local Union Executive Board shall have the power to waive, or reduce, on a non-discriminatory basis, the payment of delinquent dues, assessments and/or re-initiation fees.

(E) General or Special assessments and levies may be made from time to time in the manner provided hereinafter.

(F) Members, in addition to their membership dues, shall pay an [amount] established by the Executive Board as an assessment for the purpose of the following: (for example, group insurance, building fund, supplementary strike benefit fund, death benefit plan, or others) established by the Executive Board.

(G) Any increase in the rate of dues, initiation fees, re-initiation fees or the levying of any general or special assessment by the Local Union shall be made at a general or special membership meeting in accordance with the following procedures:

(1) Reasonable notice shall be given of the meeting at which the membership will consider the question of whether or not such dues, initiation, or reinstatement fees, general or special assessment shall be increased or levied. The notice shall indicate that a proposed increase or assessment is to be voted on.

(2) At the meeting called as provided in this Section, voting shall be by secret ballot of the members in good standing.

(3) A majority vote by secret ballot of the members in good standing voting at such meeting shall decide the issue.

(4) This provision supersedes Section 30 (Amendments) with respect to changing the dues and fees set forth in these Bylaws.

(5) Nothing contained in Section 17(E) of these Bylaws shall preclude the Local Union Executive Board in the exercise of its discretion, from directing that a membership vote on issues involving dues, fees, or assessments be conducted by mail ballot referendum after appropriate notice and with safeguards for preserving the secrecy of the balloting. Also nothing contained in Section 17 (E) of these Bylaws shall be construed to apply to action by the International Union or to limit the right of the International Union to raise the dues of the membership, and the International Union shall not be subject to these provisions. The International Union shall in no way be subject to the provisions of Section 18(E) of these Bylaws. The members cannot

waive the requirement that secret ballot votes be conducted to approve these financial transactions.

## Section 19

### MEETINGS

Membership meetings shall be general or special.

(A) General Membership Meetings

(1) General membership meetings shall be held monthly at such place and time as shall be designated by the Local Union Executive Board subject to disapproval by the membership. The time and place of meeting in effect when these Bylaws are adopted shall continue until changed by the Local Union Executive Board upon reasonable and adequate notice to the membership. Membership meetings may be suspended during any three (3) months between June and October by action of the membership at a meeting after reasonable notice of the intention to vote upon such question.

(2) Members in attendance at membership meetings shall have the right to express their views, arguments, or opinions upon any business properly before the meeting subject to these Bylaws and the rules and regulations adopted by the Local Union Executive Board pertaining to the conduct of meetings, but no member in exercising such rights shall evade or avoid his responsibility to the organization as an institution or engage in or instigate any conduct which would interfere with the Local Union's performance of its legal or contractual obligations.

If it should appear to the presiding Chairman that any member is so conducting himself to constitute a threat to the orderly conduct of the business of the meeting, he may order him ejected, subject to appeal to the membership.

At any time when in judgment of the presiding Chairman of the meeting it appears that the meeting has become so disorderly as to prevent proper deliberation on the matters, which might properly come before the meeting, the presiding Chairman shall have the right to adjourn such meeting forthwith, upon his own motion, and without second, and even though there may be other motions upon the floor. There shall be no appeal from such action since it is taken as a result of conditions which would prevent orderly consideration of the appeal by the meeting.

If such action is taken by the presiding Chairman, the time and place for a subsequent meeting, if there is to be one, shall be determined by the Local Union Executive Board. If no such determination is made, then the next meeting shall be the next regularly scheduled meeting.

The presiding Chairman can detail members or other persons to remove persons who have been ordered removed, or to prevent attendance of members who are "under the influence" or disorderly without calling upon the police.

The rights of members to attend meetings, to remain in such meetings or to participate in matters which come before such meetings are subject to the above powers and duties of the presiding Chairman and of the Local Union Executive Board.

(3) The Local Union Executive Board is authorized to permit membership meetings to be held on a division craft, place of employment or other similar basis as it shall consider appropriate considering the special needs of the organization so as to permit the membership to attend meetings and to

express their views and otherwise exercise their rights as members. There shall be no limitation on the right of any member to be heard at any such separate meeting provided herein on all matters which apply to the general membership, but such member shall be permitted to vote only at such separate division, craft or place of employment meeting to which he has been assigned. Membership meetings permitted under this subsection shall be subject to all of the requirements of subsections (A) (1) and (2) above.

(a) When the Local Union Executive Board authorizes such meeting by division, craft or place of employment, each such meeting shall be conducted by the officers of the Local Union or by their designees and under the same procedures and rules as a general membership meeting, excepting only special meetings for limited purposes such as voting on contracts or strikes, handling of grievances, etc.

(b) On all matters which apply to the general membership, the votes of the meeting of each particular division, craft or place of employment shall be totaled to determine the action of the Local Union in such matter.

(c) Members at each separate division, craft or place of employment authorized to hold separate meetings may nominate candidates from their or any other division, craft or place of employment for election to Union office; may vote separately on initiation fees, dues and assessments which apply to them alone, if higher than the minimum applicable to the general membership; and may, when authorized by the Local Union Executive Board, vote separately on approval or disapproval of, or on matters arising under, contracts applicable only to them, and strikes or other activities in which only they will participate.

(B) Special Meetings

(1) Twenty percent (20%) of the members in good standing of the Local Union may submit a written petition for a special meeting to the President of the Local Union, setting forth the reasons therefor, and the President shall call the special meeting within a reasonable time. If the Local comprises employees of more than one employer, then no more than half of such twenty percent (20%) shall be from the same employer. If the President does not call such meeting, the Local Union Executive Board shall call such meeting within fifteen (15) days of the original petition. The President may, on his own motion, call a special meeting. Reasonable notice of the date, time and place of any special meeting, and of the questions to be presented, shall be given the membership.

(2) "Such special meetings shall not be considered a substitute for the regular monthly meetings for purposes of satisfying the meeting attendance requirement of Section 17(C) (3)".

(3) Quorum

The quorum of a general or special membership meeting shall be fifteen (15). The Local Union Executive Board shall establish the number constituting the quorum for division, craft or place of employment meetings.

(4) Referendum

When a referendum is authorized by the Local Union Executive Board, reasonable notice shall be given by the Secretary-Treasurer, of the time, date, place and question upon which the referendum is to be held. In a referendum, only members affected shall be permitted to vote concerning matters not affecting the entire membership. The Local Union Executive Board shall, at least ten (10) days in advance of the referendum, adopt rules and regulations for the conduct of the referendum.

(5) Subject to the provisions of Article VI, Section 1(h) of the International Constitution, members who are on layoff but who retain seniority at a company may vote on proposed collective bargaining agreements which affect them even if they are inactive by virtue of having taken a withdrawal card.

Section 20

MEMBERSHIP

(A) An applicant shall be considered a member when he shall meet all the following requirements for membership:

(1) He shall have executed a written application for membership on a form provided by the Secretary-Treasurer.

(2) He shall have signed a dues check-off authorization permitting the initiation fee to be withheld from earnings. If no dues check-off authorization is signed, membership shall date from the first month for which dues are paid, once full payment of the initiation fee is completed. Or, he shall have tendered the initiation fee and one month's dues by cash.

(3) The Local Union shall have accepted his application and dues.

(4) He shall have taken the oath of obligation as a member following the action upon his application, unless dispensed with by the Local Union by policy or practice. In the event the applicant shall fail to take the obligation within a reasonable time following the acceptance of his application, he shall forfeit the monies tendered except for good cause shown.

(5) The first money received from an applicant for membership must be applied to the payment of dues for the month in which the applicant is first obligated to pay dues. If this Local Union permits an applicant to pay an initiation fee on a deferred basis, the installment payments must be allocated to first satisfy the member's dues obligation. All new members presenting themselves for initiation shall receive upon request a free copy of the International Constitution and Local Union Bylaws from the Local Union. However, any alleged failure to receive such copy shall not excuse a member from violation of any duty or obligation imposed upon him by his oath of office, initiation or membership.

(B) Good Standing

(1) A member shall lose his good standing membership in the organization by acceptance of a withdrawal card, by suspension or expulsion from membership after appropriate proceedings consistent with the Bylaws or the Constitution, or by nonpayment of dues on or before the last business day of

the current month. Members whose dues have been withheld by their employer pursuant to a voluntary check-off agreement shall not be declared in bad standing merely because the employer fails to remit check-off dues to the Local Union on or before the last business day of the month. Payment of dues to an officer or steward authorized by this Local Union to collect such dues shall be deemed payment to the Local Union.

(NOTE): Where local unions provide for quarterly payment of dues, they should set forth in these Bylaws the time by which such dues are payable to maintain good standing membership for the entire quarter. Note that under no circumstances may quarterly dues be made payable earlier than the last business day of the first month of the quarter. See Article X, Section 5(d) of the International Constitution).

(2) A member in a suspended status because of his failure to pay his dues or other obligations as required by the International Constitution and these Bylaws may reinstate his good standing by the payment of all delinquent dues and other financial obligations.

(C) Issuance of Transfer and Withdrawal Cards

(1) The issuance of transfer cards must be handled in strict compliance with Article XVIII, Sections 1 and 2 of the International Constitution. The acceptance of transfer cards must be in accordance with the provisions of Article XVIII, Sections 3 and 4 of the International Constitution. The jurisdiction to issue honorable withdrawal cards must be handled in strict compliance with Article XVIII, Sections 6 and 7 of the International Constitution.

(2) When the Local Union is required to give to a member an honorable withdrawal card under the terms of the International Constitution and its Bylaws, it may provide for the continuance of Local Union benefits to such inactive member under conditions which it may set forth, but such inactive member shall not be permitted to hold office or vote, and shall have only such right to participate in the meetings and the affairs of the Local Union as shall be uniformly permitted by the Local Union Executive Board.

(3) A withdrawal card shall be issued to any member, including a Local Union Officer, who has retired, except that a member, who continues to work at the craft, including employment with the International Union, or any affiliate, shall be required to retain active membership.

(D) Upon the approval of these Bylaws by the General President, supervisory employees and such other classifications as the Local Union Executive Board may lawfully determine, shall take no part on committees selected to negotiate wages and working conditions with employers, and shall not be permitted to vote on any such agreement or on any vote to strike or take other action with respect to the agreement to which they may be subject or parties. Supervisory employees shall not be permitted to hold office unless permitted by federal, state, local or provincial law.

[Note: In view of recent decisions by the National Labor Relations Board redefining supervisory status under the National Labor Relations Act, NLRB determinations of supervisory status shall not be the only consideration for participation in the Union.]

(E) Responsibility of Members to the Local Union

(1) Every member by virtue of his membership in this Local Union is obligated to abide by these Bylaws and the International Constitution with respect to his rights, duties, privileges and immunities conferred by them. Each member shall faithfully carry out such duties and obligations and shall not interfere with the rights of fellow members.

(2) Every member, covered by a collective bargaining agreement at his place of employment, authorizes his Local Union to act as his exclusive bargaining representative with full and exclusive power to execute agreements with his employer governing terms and conditions of employment and to act for him and have final authority in presenting, processing and adjusting any grievance, difficulty or dispute arising under any collective bargaining agreement or out of his employment with such employer, in such manner as the Local Union or its officers deem to be in the best interests of the Local Union, all subject to Article XII and other applicable provisions of the International Constitution relating to such matters. The Local Union and its officers, business representatives and agents may decline to process any grievance, complaint, difficulty or dispute, if in their reasonable judgment such grievance, complaint or dispute lacks merit. The provisions of Article XII, Section 2 relating to area, multi-area, national company-wide or industry-wide contracts, shall supersede any provision of this Section.

(3) No member shall interfere with the elected officers or business agents of this organization in the performance of their duties, and each member shall, when requested, render such assistance and support in the performance of such duties as may be required by them, provided that this does not interfere with the individual rights of members. Each member and officer shall adhere to the terms and conditions of pertinent collective bargaining agreements and shall refrain from any conduct that would interfere with the performance by this Local Union of its legal or contractual obligations.

(4) No member shall engage in dual unionism or espouse dual unionism or disaffiliation, or be a party to any activity to secure the disestablishment of the Local Union as the collective bargaining agent for any employee.

(5) No member shall be permitted at any Union meeting or assembly to engage in any of the conduct hereinbefore described.

(6) Every member shall follow the rules of order at all meetings of the Local Union.

(7) Membership in this Local Union shall not vest any member thereof with right, title or interest in or to the funds, property or other assets belonging to the Local Union now or hereafter and no member shall have a property right to membership in this organization.

(8) No member seeking to resign from membership in any Local Union may do so except by submitting such resignation in writing to the Secretary-Treasurer of the Local Union. Any member who resigns before he has paid all dues, assessments, fines and other financial obligations owing to any subordinate body shall be obligated to pay such obligations to his former Local Union. All members acknowledge that any obligations owing at the time of resignation shall be collectible by the Local Union in any appropriate forum. This shall not relieve any member of any obligation to comply with any other

provision of this Constitution regarding acquisition or maintenance of membership in good standing.

(F) Rights of Members

No provision of these Bylaws, rule of parliamentary procedure or action by the Local Union or its officers shall be administered in such a way as to deprive individual members of their rights under applicable law and the following membership rights:

- (1) the right to nominate candidates or vote in elections or referendums of the Union;
- (2) the right to attend membership meetings, and to participate in the deliberations and voting upon the business of such meetings;
- (3) the right to meet and assemble freely with other members and to express any views, arguments, or opinions, and to express at meetings views upon candidates in an election of the Union or upon any business properly before the meeting, subject to the organization's established and reasonable rules;
- (4) the right to information concerning the conduct of Local Union business; and
- (5) the right to institute an action in any court or in a proceeding before any administrative agency, irrespective of whether the Local Union or its officers are defendants in the action, or to appear as a witness in a judicial, administrative or legislative proceeding, or to petition any legislator, subject to the exhaustion of intra-union remedies as required by the International Constitution and applicable law.
- (6) For the purpose of Section 20(F) only, the term "meeting" includes any public meeting to which members of the Local Union are invited. All the rights of members set forth in Section 20(F) shall be subject to reasonable application and subject to the right of the Local Union to impose reasonable limitations upon the exercise of these rights by the members.

Section 21

CHARGES AND TRIALS

(A) Each member of this Union shall have the right to fair treatment in the application of union rules and law in accordance with the International Constitution and these Bylaws. In applying the rules and procedures relating to union discipline, the essential requirements of due process of law (notice, hearing, and judgment based upon the evidence) shall be observed without, however, requiring the technical formality followed in courts of law. Recognizing that these requirements of fairness and due process of law will be administered by groups of laboring men and women, this Local Union adopts the following procedures which supplement the requirements of Article XIX of the International Constitution. The following procedural guides are designed to attain justice both to the individual member and the organization, and in instances where deviations from such procedures are not such as to substantially affect the member's substantive right; these procedures are not to constitute technically precise requirements of strict pleadings of courts of law.

(B) Trials and Appeals

(1) Trial. Every member charged with a violation of these Bylaws or the International Constitution shall be accorded a full and fair hearing as required by law. No member of the Local Union Executive Board involved in the subject matter of the charge, shall sit on the trial board. The decision on disqualification under this provision, if raised by an interested party, shall be made in the first instance by majority vote of the Local Union Executive Board, whose decision shall be appealable as part of the case, in accordance with the appeal procedure of the International Constitution and these Bylaws. The officer alleged to be involved shall not vote on whether he is qualified to remain on the hearing panel. If the member charged or preferring the charges is a member of the Local Union Executive Board or if a member of the Local Union Executive Board is unable to attend the hearing for any reason, then the principal executive officer of the Local Union shall appoint an uninvolved member as a substitute. If either the President or Secretary-Treasurer of the Local Union is charged or has preferred the charges, or is unable to attend the hearing for any reason, the other officer shall appoint the substitute. If both the President and Secretary-Treasurer of the Local are charged or are preferring the charges, or for any reason are unable to attend the hearing, the remaining members of the Local Union Executive Board shall appoint the substitutes. Charges by, against or involving a majority of the members of a Local Union Executive Board shall be filed with the Secretary-Treasurer of the Joint Council for trial by the Joint Council Executive Board. In no event shall any involved officer or member serve on a hearing panel, participate in the selection of a substitute member of a hearing panel, or participate in the decision making process of the trial body.

Whenever the words "Joint Council" appear in other sections of these Bylaws, they shall mean Joint Council or State or Multi-State Joint Council and include State or Multi-State Conferences in all matters relating to disputes and appeals where there is no chartered Joint Council.

(2) Charges. Charges shall be in writing and signed by those filing same and must be filed in duplicate with the Secretary-Treasurer of the body which is to hear the charges, who shall serve the charges and notice of the hearing upon the accused either in person or by mail at least ten (10) days prior to the hearing. No hearing on any charge shall be held less than ten (10) days from the date on which notice of the hearing has been served on the parties unless all parties agree to waive this requirement. In scheduling the time and place of the hearing, due consideration shall be given to the convenience of the accused and witnesses necessary in the case. The charges must set forth the provisions of the International Constitution or these Bylaws allegedly violated and the acts which allegedly constitute such violation in sufficient detail to inform the accused of the offense charged, including, where possible, dates and places. The charging party must include in the charges all alleged offenses of which he has knowledge, or in the exercise of due diligence should have had knowledge, as of the time of the filing of the charges. He may not subsequently file additional charges based upon facts of which he had knowledge, or in the exercise of due diligence should have had knowledge, as of the time of the filing of the charges. Any charge based upon alleged misconduct which occurred more than five years before the discovery of the conduct giving rise to the charge is barred and shall be rejected by the Secretary-Treasurer except charges based upon the non-payment of dues, assessments and other financial obligations. No member or officer shall be required to stand trial on charges involving the

same set of facts as to which he is facing criminal or civil trial until his final court appeal has been concluded. Nor shall a member or officer be required to stand trial on charges that are substantially the same or arise under the same circumstances as prior internal Union charges against such member or officer provided that a decision was rendered on those prior charges. Charges may be preferred against a suspended member or an inactive member who has been issued a Withdrawal Card.

(3) In the event of non-compliance with the decision handed down by a trial or appellate body, the member, elected Business Agent, Officer or Local Union shall stand suspended from all rights and privileges under the International Constitution until the provisions of the decision have been complied with, unless the General President has waived payment of a fine or stayed the effectiveness of the decision pending appeal. If, however, the decision carries with it an order of expulsion, then such order of expulsion shall immediately take effect, unless the General President has stayed the effectiveness of the decision pending appeal.

(4) Rights of the Accused. Throughout the proceeding, there shall be a presumption of innocence in favor of the accused. In order to be sustained, the charges must be supported by a preponderance of reliable evidence and a majority of the members of the panel must vote to find the charged party guilty. The accused shall have the right to present his own evidence, rebut testimony against him, present witnesses favorable to him and cross-examine adverse witnesses. The charging party, the accused and the Local Union Executive Board may select only a member in good standing of the Local Union to represent them at a hearing conducted before any trial or appellate body. Witnesses need not be members of the Union. The hearings shall be open to other members, subject to the discretion of the Local Union Executive Board in maintaining order and in excluding witnesses except when testifying.

(5) Action by the Local Union Executive Board.

The Local Union Executive Board shall have the authority to determine the manner of reporting the hearings and shall have authority to exclude any method not authorized by it. Any request by a party that a verbatim record be made must be received by the Executive Board not later than five (5) business days prior to the scheduled commencement of the hearing and shall be honored. If the Local Union Executive Board decides to have a transcript or recording of the hearing made, the Local Union Executive Board shall furnish a copy of the same to the parties upon payment of the cost for same, or shall make such copy available to the parties for copying or consultation without cost.

Within a reasonable time after completion of the hearing, the Local Union Executive Board shall decide the case. The decision of the Local Union Executive Board shall be in writing and contain the charges, its own factual findings and decision, and a notice to the parties informing them of the proper body to which they may appeal, and the time within which the appeal must be filed. A copy of the decision of the Local Union Executive Board must be forwarded to the parties without delay. A copy of all documents in the proceedings shall be kept available at the Local Union's principal office until final disposition is made of these charges.

(6) Appeals. Appeals shall be taken pursuant to the provisions of Article XIX of the International Constitution.

## Section 22

### BONDING

(A) Every officer, agent, employee, other representative of this Local Union or shop steward who handles funds or other property of this organization shall be bonded in accordance with the requirements of the International Constitution and applicable statute. The amount of bond required of each person shall be ascertained by the Local Union Executive Board, and the premium charges shall be paid out of the general funds of the Local Union.

(B) If the Local Union Executive Board, in its sole judgment, believes that it would be to the advantage of this organization to join with the International and/or any or all of its subordinate bodies or affiliated Local Unions in obtaining a bond or bonds covering persons in this Local Union and such other organizations under a bond or bonds issued to said International Union or other subordinate body, then, in such event, the Local Union Executive Board is authorized and empowered to enter into such arrangements and pay from the general funds of this Local Union the cost for bonding these persons in this Local Union, but such surety coverage shall conform to the requirements set forth in Section 22(A).

(C) Should the bond of any person required to be bonded be cancelled after surety coverage's has been afforded, then such person shall be allowed thirty (30) days within which to arrange either for reinstatement of his coverage or the substitution of another bond meeting the requirements of Section 22(A) to take the place of the cancelled bond. However, during the period such person or a new officer is not covered by such surety bond, the Local Union Executive Board shall make whatever arrangements shall be necessary to relieve such person of the handling of any money or property of the Local Union.

(D) If an employee or officer referred to in Section 22(C) cannot within thirty (30) days provide the surety bond required in conformity with the provisions of Section 22(A), the Local Union Executive Board shall be authorized and empowered to permit him to remain in his office or position under such arrangements as it may consider reasonable, but shall not require or permit him to handle any of the money or control any of the property of the Local Union.

## Section 25

### INTERNATIONAL CONSTITUTION

The Local Union acknowledges that the Constitution of the International Brotherhood of Teamsters supersedes any provisions of these Bylaws herewith or hereinafter adopted which may be inconsistent with such Constitution. The Local Union incorporates herein the provisions of the International Constitution, as they may be interpreted, modified, or amended from time to time, which are applicable to Local Union matters and affairs, and shall perform all the duties imposed upon a Local Union by such Constitution.

These Bylaws are subject to the Constitution and Bylaws of the International Brotherhood of Teamsters and applicable Joint Council Bylaws.

Neither this Local Union, nor any of its officers, business representatives or employees, has the power to make any contract or agreement or to incur any liability which shall be binding upon the International Union or any of its affiliates other than this Local Union unless the written consent of the governing body or executive officer thereof has first been obtained authorizing such action. Neither this Local Union or any of its officers, representatives or employees has been authorized or empowered to act as an agent of the International Union or any of its affiliated bodies and shall not be deemed an agent for any such body unless expressly authorized in writing by the governing body of such body to act in that capacity. No agreement or contract shall be binding upon this Local Union unless executed and delivered by its duly authorized officers and a contract or agreement for personal services shall not be binding beyond the expiration of the term of the Executive Board at the time such contract or agreement is made. This shall not prevent a Local Union Executive Board from entering into a bona fide collective bargaining agreement with other union covering Local Union employees, subject to the requirements of Article XXII, Section 2(b) of the International Constitution.

## Section 26

### LOCAL UNION PROPERTY

No property of the Local Union, and no property in the possession, custody or control of this Local Union or any of its officers, representatives or employees and no property held in trust by any trustee for and in behalf of this Local Union, express or implied, which was created or established by this Local Union itself, or the members of the Local Union or their beneficiaries, shall be given, contributed, donated or appropriated, either directly or indirectly, to aid or assist or be expended in behalf of any seceding, dual or antagonistic labor organization or group, nor to any Local Union which is acting in violation of the Constitution of the International.

## Section 27

### NEGOTIATIONS, RATIFICATIONS OF AGREEMENTS, STRIKES AND LOCKOUTS

(A) Whenever a collective bargaining agreement is about to be negotiated, modified or extended at the request of this Local Union, the principal executive officer shall call a meeting at which the membership shall determine and authorize the bargaining demands to be made. The Local Union Executive Board shall determine whether such meeting shall be limited to the members in a particular division, craft or place of employment. Where this Local Union is a participant in an area-wide agreement, it is understood that the bargaining demands of the Local Union may be accepted, modified or rejected by the overall negotiation committee in accordance with such rules and procedures as may be adopted by the area-wide, conference-wide or national bargaining group.

(B) The Secretary-Treasurer shall submit to Joint Council 53, two (2) copies of all proposed collective bargaining agreements with a company in an industry in which there is an area standard established by pre-existing agreements or amendments thereto, or where otherwise directed to do so by the Joint Council, for approval before submission to the employer. If no Joint Council exists, such proposals shall be submitted to the State Conference for its approval. In those cases where the proposed agreement is for operations which are already subject to an area-wide agreement, or a prospective area-wide agreement is already planned, the proposed agreement shall be submitted to the Director of the appropriate Trade Conference or Division for approval before submission to the employer.

(C) Ratification of agreements or amendments shall be subject to vote in the same manner as provided for in connection with bargaining demands as set forth in Section (27)(A), or in the case of area-wide, conference-wide or national agreements in accordance with the Constitution and rules adopted by such bargaining group, except that where the General Executive Board has directed the Local Union to refrain from executing such agreement, no proposed agreement shall be considered ratified by any vote until and unless it is specifically approved by the General Executive Board. Where a final contract proposal has been reduced to writing at the time it is to be submitted for vote, copies of the written proposal shall be made available to the affected membership. True copies of final agreements arrived at by the Local Union shall be filed by the Secretary-Treasurer with the Economic and Contracts Departments of the International Union within sixty (60) days after execution, together with a list of the names and locations of employers and number of employees covered by such agreements. The Secretary-Treasurer shall, as of January first of each year submit to the Economics and Contracts Departments of the International Union, a list of agreements in effect showing the name of the employer or employers, parties thereto, location or locations, and the expiration date.

(D) If a settlement cannot be reached in connection with the negotiation or modification of a collective bargaining agreement between members of this Local Union and an employer after the officers have used reasonable means of achieving a settlement through the process of collective bargaining, the matter shall be subject to the strike procedure, conditions and qualifications set forth in the Constitution. The Local Union Executive Board may, in its discretion, provide that the strike vote be limited to the members employed in a particular division, craft or place of employment. In such cases where area-wide, conference-wide or national agreements are involved, it is understood

that the specified majorities of the members covered by such agreements must vote to strike as set forth in Article XII, Section 1 and 2 of the Constitution, and in such event, such strike vote shall apply to this Local Union, irrespective of the individual vote of this Local Union on that question.

(E) Strike votes shall not be required in any case where a collective bargaining agreement then in existence authorizes such strike for the purpose of enforcing the terms of such agreement. Nor shall a strike vote be required for a strike in support of demands that an employer agree to the terms and conditions of an agreement already negotiated and approved on a state, multi-state, multi-area, multi-employer or national, company-wide or area basis of which unit such employer is a member. In either case, the Local Union Executive Board, subject to the approval of the General President, may call the strike in support of its position, and may also, with the approval of the General President, terminate such strike without vote.

(F) At least forty-eight (48) hours prior to a strike and in the case of picketing, lawsuit or other serious difficulty, the Secretary-Treasurer shall immediately notify the Joint Council of which it is a member of any contemplated action as required by the Constitution.

(G) Out-of-work benefits shall be payable to members only as provided by and in accordance with the Constitution. The Secretary-Treasurer shall be responsible for securing of such benefits where the Local Union is eligible to receive them, executing all documents required by the International and returning all monies to the International Union remaining unused by the Local Union at the close of the strike or lockout.

(H) Strikes, which are not terminated by the conclusion of the collective bargaining agreement or by arbitration or otherwise may be terminated in such manner as the Local Union Executive Board shall determine appropriate.

## Section 28

### TEAMSTERS LOCAL UNION NO. 429 DEATH DONATION PLAN AND SUMMARY PLAN DESCRIPTION

The Teamsters Local Union No. 429 provides a death donation for qualified members of Teamsters Local Union No. 429.

Set forth below are the rules and regulations describing who is eligible to apply for death donations and how these recipients are selected.

Who is Eligible to Receive Death Donations? (Amended June 7, 2013)

Individuals who are paying dues required of active members of the Local and are currently employed by a Local 429 represented Company are eligible for this donation. Dues must be paid through the month in which a member dies. This donation is not available to any individual who is not paying "active" dues and is not employed by a Local 429 represented Company or who is retired.

How Do You Apply for Death Donations from Local 429?

Members must complete a beneficiary designation card naming the individual that you wish to receive the death donation. After your death, your named beneficiary may apply for the death donation from Local No. 429 if you have

been a member paying the dues required of active Local members for at least ninety (90) days.

The member must complete a death donation form clearly and legibly. Once you have completed the form, the form should then be submitted to:

Teamsters Local Union No. 429 - Death Donation  
1055 Spring Street  
Wyomissing, PA 19610

This form must be received by the Union office prior to the member's death. Local No. 429 will not make a death donation if the form is not received in the Union office prior to the member's death.

IMPORTANT: Local 429 will make payment of the death donation to the designated beneficiary named by the member on the form required by the Union. If you do not designate a beneficiary, the Union will pay the death donation directly to the estate. Local 429 will NOT pay a death donation to any other party.

What Death Donations are Awarded?

Local 429 has instituted a death donation to be paid to the designated beneficiary of members who have paid up their active dues of Teamsters Local Union No. 429 as follows: (1) for members of the Local for at least ninety (90) days but less than one (1) year, a death donation of \$500.00; (2) for members of the Local for at least one (1) year but less than two (2) years, a death donation of \$750.00; and (3) for members of the Local for at least two (2) years or more, a death donation of \$1,000.00. The Union reserves the right to modify, amend or terminate this plan at any time.

When are Death Donations Distributed?

Donations are distributed as soon as practicable after the Union receives proof that the member has died. This proof must consist of an original of the individual's death certificate.

How is the Death Donation Funded?

The death donation is funded solely through membership dues.

#### GENERAL PROVISIONS

Plan Interpretation: The Local Union, as Plan Administrator, has the authority and discretion to determine all questions of eligibility for donations. All such determinations shall be final and binding on all parties. Local 429 shall have the power to make all decisions governing the awarding of the death donations under criteria established by that organization.

Effective May 5, 2010, Teamsters Local Union No. 429 Executive Board has amended the Death Donation Plan for its active dues paying members to not cover suicide or deaths related in any way to suicide.

Effective April 11, 2022, Teamsters Local Union No. 429 Executive Board has amended the Death Donation Plan for its active dues paying members, enabling the Local Union office staff to make a photo copy of an original death certificate to keep on file as proof of death for the deceased member and return the original death certificate to the beneficiary.

Amendment and Termination: Local 429 reserves the right to amend, modify or terminate this Plan at any time without notice by a written instrument duly executed pursuant to the terms of Local 429's Agreement and Declaration of Trust.

CLAIM REVIEW PROCEDURE

In the event that any member or beneficiary wishes to appeal any determination regarding the rights or benefits under this Plan, the member or beneficiary may submit the claim in writing to the Plan Administrator within sixty (60) days of the adverse decision. The claim must be submitted in writing and must contain any and all arguments and information you will wish the Local Union to consider in making their determination. Claims should be sent to:

Teamsters Local Union No. 429  
C/o Office Manager  
1055 Spring Street  
Wyomissing, PA 19610

The claimant will receive a response within sixty (60) days. You have the right to review pertinent documents and you may retain counsel to assist you. A decision on appeal will be rendered within sixty (60) days of the date you file an appeal.

ERISA STATEMENT

Regulations of the federal government require that the following "Statement" appear in this document, and we are reproducing it here with quotation marks. Not all of the statement is necessarily accurate or applies to this Plan.

"As a participant of this Plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

"Examine, without charge, at the Plan Administrator's office, all plan documents, including collective bargaining agreements and copies of all documents filed by the Plan with the U.S. Department of Labor, such as detailed annual reports and plan descriptions".

"Obtain copies of all plan documents and other plan information upon written request to the Plan Administrator. The Administrator may make a reasonable charge for the copies".

"Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report".

In addition, you have the following rights:

Receive a list of the employers and employee organizations sponsoring the plan upon written request to the Plan Administrator. This list is available for examination by participants and beneficiaries;

Upon written request to the Plan Administrator, receive information as to whether a particular employer or employee organization is a sponsor of the plan

and, if the employer or employee organization is a plan sponsor, the sponsor's address.

This plan is maintained pursuant to collective bargaining agreements between the Employers and Union. Copies of these agreements may be obtained upon written request to the Plan Administrator, and are available for examination by plan participants and beneficiaries.

"In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA. If your claim for a welfare benefit is denied in whole or in part, you must receive a written explanation of the reason for the denial. You have the right to have the plan review and reconsider your claim. Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request materials from the Plan and do not receive them within thirty (30) days, you may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$10 a day until you receive the materials, unless the materials are not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court. If it should happen that plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous. If you have any questions about this statement or about your rights under ERISA, you should contact the nearest Area Office of the U.S. Labor-Management Services Administration, Department of Labor".

#### PLAN INFORMATION

## Section 29

### SAVING CLAUSES

(A) The provisions of these Bylaws or the International Constitution relating to the payment of dues, assessments, fines or penalties, etc. shall not be construed as incorporating into any Union security contract those requirements for good standing membership which may be in violation of applicable law, nor shall they be construed as requiring any employer to violate any applicable law. However, all such financial obligations imposed by or under the International Constitution and these Bylaws (and in conformity therewith) shall be legal obligations of the members upon whom imposed and enforceable in a court of law.

The General Executive Board of the International Union is authorized to adopt any plan or arrangement relating to such requirements and obligations which may be imposed by applicable law.

(B) If any provision of these Bylaws shall be declared invalid or inoperative, by any competent authority of the executive, judicial, or administrative branch of federal or state government, the Local Union Executive Board shall have the authority to suspend the operation of such provision during the period of its invalidity and to substitute in its place and stead a provision which will meet the objections to its validity and which will be in accord with the intent and purpose of the invalid provision. If any section, or subsection of these Bylaws should be held invalid by operation of law or by any tribunal of competent jurisdiction, the remainder of these Bylaws or the application of such section or subsection to persons or circumstances other than those to which it has been held invalid, shall not be affected thereby.

(C) Where used in these Bylaws, words in the masculine also shall be read and construed as in the feminine in all cases where such construction would so apply.

### Section 30

#### AMENDMENTS

(A) Proposed amendments to the Bylaws shall be submitted in writing at a regular meeting of the Local Union only in January of each year upon initiation either by petition of seven (7) members in good standing, or by resolution of the Local Union Executive Board. Under no circumstances may these Bylaws be amended during a term of office to affect or modify the powers and duties of the incumbent officer or elected business agents. Such amendments may be made effective only as of the beginning of the next term of office.

(B) The proposed amendments shall then be read at two (2) consecutive regular meetings of the membership or at two (2) consecutive division, craft, or place of employment or similar meetings (if the Local Union Executive Board has determined that membership meetings be conducted on such basis), and voted upon at the third meeting or meetings. A majority vote of the members in good standing voting at such meeting shall be required for passage.

(C) Amendments to these Bylaws are subject to the approval of the General President, as provided in Article VI, Section 4 of the International Constitution and shall not be effective until such approval has been given.

(D) Nothing contained in Section 29 of these Bylaws shall preclude the Local Union Executive Board in the exercise of its discretion, from directing that a membership vote be conducted by mail referendum after appropriate notice and with safeguards to ensure the integrity of the balloting.
